**EXPLANATORY NOTE**

The 1987 Constitution provides that the State shall protect and promote the rights of all citizens to quality education at all levels and shall take necessary and appropriate steps to make education accessible to all. The Constitution likewise mandates the State to establish and maintain a system of free education in the elementary and high school levels nationwide.

This bill proposes to establish a National High School in Barangay Kahaponan, City of Valencia, Province of Bukidnon to be known as Kahaponan National High School. The establishment of Kahaponan National High School will directly benefit the students of Barangay Kahaponan and the neighboring barangays.

The establishment of the proposed Kahaponan National High School is in consonance with the State's constitutional duty to protect and promote the right of all citizens to quality education at all levels and to take appropriate steps to make education accessible to all.

In view of the foregoing, the approval of this bill is earnestly sought
