HOUSE BILL NO. 3008

Introduced by **HON. JORGE DANIEL S. BOCOBO**

EXPLANATORY NOTE

For many barangays, the National Tax Allotment (formerly the Internal Revenue Allotment) is the primary and largest source of operating revenue for financing basic services, development projects, and various devolved functions. These include among others, the delivery of basic health and social services, maintenance of local roads and utilities, support for public order and safety, and management of community facilities. Given the central role of the NTA in sustaining these legally mandated services and related budgetary obligations, it is urgent that Barangay North Daang Hari (Taguig City) receives its full and properly computed share in national taxes.

Barangay North Daang Hari, with a land area of approximately 146,800 square meters and a population of 14,614¹, was established pursuant to City Ordinance No. 27-2008 enacted by the Sangguniang Panlungsod of Taguig and approved on September 15, 2008. Following the conduct of a plebiscite and the election of its first set of officials on October 25, 2010, the barangay began to operate as a distinct corporate entity, consistent with Section 14 of the Local Government Code.

Despite its formal creation and compliance with the legal requisites for barangayhood under Section 386 of the Local Government Code, Barangay North Daang Hari has yet to receive its NTA. As former Barangay Chairman of Barangay Fort Bonifacio in Taguig City, I saw firsthand the difficulties of managing a fast-growing community without its proper share of the NTA. This persistent exclusion has deprived the barangay of critical resources necessary for the delivery of basic services and facilities enumerated in Section 17 (b) of the Local Government Code, particularly those devolved by the national government.

Geographically, Barangay North Daang Hari is bounded by General Santos Avenue, Case 14 590-D, Taguig Cadastral Mapping IO (Barangay Bagumbayan), P.U.P. Compound, Sta. Maria Industrial Subdivision, Manila Railroad Company (Railroad Tract), Mañalac Avenue, and Parañaque Cadastre — all within or adjacent to territories historically associated with boundary disputes in Metro Manila. Nonetheless, its recognition as a separate and functioning barangay under the jurisdiction of the City of Taguig has long been established.

¹ based on the official website of Barangay Fort Bonifacio, Taguig City. Philippine Statistics Authority (PSA) 2024 Census of Population (POPCEN) data pegs population at 12,190

This proposal seeks to correct an administrative gap and ensure that Barangay North Daang Hari is granted full fiscal recognition as a local government unit so it can deliver the basic services and fund local projects for the benefit of its residents.

No less than the 1987 Constitution mandates that “Local government units shall have a just share, as determined by law, in the national taxes which shall be automatically released to them.”

In view of the foregoing, the immediate approval of this bill is earnestly sought.
