First Regular Session

HOUSE BILL NO. 3106

Introduced by Honorable CAROLINE B. AGYAO

EXPLANATORY NOTE

This Bill seeks to divide Barangay Nambaran of the City of Tabuk, Province of Kalinga into two distinct and independent barangays to be known as Barangay Nambaran Del Norte and Barangay Nambaran Del Sur. It has reached the Senate in the 19th Congress and passed the Senate Committee on Local Government but has not been enacted into law due to events prevailing during that period.

Barangay Nambaran is one of the largest of the forty-three barangays of the City of Tabuk in the Province of Kalinga, and mostly populated by different sub-tribes from Upper Kalinga. The division of Barangay Nambaran would allow the sub-tribes and indigenous peoples to group together bonded by same history, tradition and culture.

This new regrouping would allow these tribal communities to use their own Internal Revenue Allotment to chart their own courses in a way that is beneficial to the whole community.

Should the population of the new barangays is less than the population requirement, the provision under Book III, Paragraph 2, Section 386 of the 1991 Local Government Code exempts them from the population requirement since both Barangay Nambaran Del Norte and Barangay Nambaran Del Sur are inhabited by indigenous cultural groups. In fact, the division would not reduce the population of the mother barangay to less than the required number since the combined population of the remaining sitios is still more than two thousand.

With this bill, it is highly expected that Barangay Nambaran Del Norte and Barangay Nambaran Del Sur will not be encumbered by lack of funds, thereby enabling them to chart their own courses for socio-economic development.

In view therefore, it is earnestly sought that this bill be approved.
