HOUSE BILL NO. 3178

Introduced by REP. EMILIO BERNARDINO L. YULO

EXPLANATORY NOTE

This bill seeks to establish a Technical Education and Skills Development Authority (TESDA) Training and Assessment Center in the Municipality of Binalbagan, Province of Negros Occidental, to be known as the Binalbagan TESDA Training and Assessment Center.

Republic Act No. 7796, or the “Technical Education and Skills Development Act of 1994,” affirms the State’s duty to provide relevant, accessible, high-quality, and efficient technical education and skills development. This mandate supports the formation of a skilled Filipino workforce aligned with the country’s development goals and economic priorities.

The proposed center will serve as a vital hub for delivering Technical-Vocational Education and Training (TVET) programs to students and residents of Binalbagan and nearby localities. It will particularly benefit individuals from marginalized sectors, including out-of-school youth, low-income families, indigenous peoples, and persons with disabilities—offering them opportunities to acquire practical, in-demand skills for gainful employment or self-sustaining livelihood.

By making skills training more accessible at the local level, this measure empowers individuals to become economically productive, self-reliant, and engaged contributors to their communities. Beyond economic upliftment, it also fosters personal growth and unlocks the potential of those who, with the right training and support, can become catalysts for positive change.

In view of the foregoing, approval of this bill is earnestly sought.
