HOUSE BILL NO. 3211

Introduced by Representative Crispin Diego “Ping” D. Remulla

AN ACT
CONVERTING THE CONCHU PROVINCIAL ROAD IN THE CITY OF TRECE
MARTIRES AND THE MUNICIPALITY OF AMADEO, ALL IN THE PROVINCE OF
CAVITE, INTO A NATIONAL ROAD AND APPROPRIATING FUNDS THEREFOR

EXPLANATORY NOTE

This measure seeks to convert the 9.4-kilometer Conchu Provincial Road, stretching across the City of Trece Martires and the Municipality of Amadeo in the Province of Cavite, into a national road under the supervision of the Department of Public Works and Highways.

The Conchu Road serves as a vital route connected to the Cavite East-West Road, a national road that facilitates inter-municipal and inter-city travel within Cavite. As such, the Conchu Road has increasingly been used by both private and public vehicles, including large trucks and heavy equipment, thereby subjecting the provincial road to high traffic volume and rapid wear and tear.

This measure will allow the allocation of necessary resources for the regular maintenance, upgrading, and improvement of this critical roadway. This transition is expected to ease traffic congestion, improve mobility, and reduce transport time for commuters and goods alike. Moreover, better road conditions will promote safer travel and support disaster response and emergency services in the province.

Furthermore, this measure aligns with the broader development goals of the 7th District of Cavite by improving access to government services, boosting local industries, and enhancing the overall economic and social integration of the communities along and around the Conchu Road. The improvement of this road will attract more investments, stimulate trade, and create livelihood opportunities for residents.

In view of the foregoing, the approval of this measure is earnestly sought.
