HOUSE BILL NO. 3255

Introduced by Representative KRISTINE SINGSON-MEEHAN

EXPLANATORY NOTE

This bill seeks the creation of a new barangay to be known as Barangay Butac in the Municipality of Suyo, Ilocos Sur, to be composed of Sitios Kainggian, Butac, Coscosnong, Longboy, Bangcag and Botigue, separating them from the mother barangay, Barangay Man-atong, Suyo, Ilocos Sur.

The Municipality of Suyo is presently composed of eight (8) barangays and forty-seven (47) sitios populated mostly by the indigenous tribes of "Bago" and "Kankanaey". Some barangays occupy vast land areas making the administration over them extremely difficult and cumbersome and due to the fact that some of the sitios are very distant, they are often denied delivery of basic goods and services that a barangay could offer. The proposed creation of Barangay Butac will not only enhance the delivery of basic goods and services to the concerned sitios, it will also lead to better governance, equitable implementation of the municipality's Comprehensive Land Use Plan (CLUP), fast track the development of idle lands into residential, commercial, industrial and agricultural areas, avoid congestion in the barangay proper, and allow the concerned sitios to use their own Internal Revenue Allotment (IRA). Under Republic Act No. 8371 (Indigenous People's Right Act), both the new barangay and mother barangay shall be exempted from the population requirement under Republic Act No. 7160 as amended, or the Local Government Code (Sec. 386), since both barangays are populated by members of indigenous cultural communities.

The creation of Barangay Butac will address the clamor of its people who have been waiting for years, to finally enable them to chart their own course in developing their community toward socio-economic development. In view of the foregoing, the approval of this bill is earnestly requested

This bill passed 3rd reading at the House of Representatives in the 18th and 19th Congress.
