Camarines Norte has been identified in the Department of Tourism's National Tourism Masterplan as a Tourism Development Area. This designation signals the importance to lay down measures which will improve and enhance the tourism capabilities of the province to goals of the Masterplan.

Indeed Camarines Norte is still a vastly untapped tourism destination and surely, among the many towns in Camarines Norte, the town of Jose Panganiban is definitely one of those that stands out with respect to ecotourism potential.

Jose Panganiban boasts of Parola Island, Calalanay Island, Isla ni Cion, Pag-asa Beach and Bulalacao Beach that are still widely untapped due to lack of adequate tourism infrastructure.

In light of the huge potential of the Municipality of Jose Panganiban to become a top tourist destination, it is hereby sought it be declared as an Ecotourism Zone. The passage of this bill will surely create new jobs, improve the local livelihood and will be beneficial for the domestic economy.

In view of the foregoing, the passage of this bill is earnestly sought.
