

Republic of the Philippines
House of Representatives
Quezon City, Metro Manila

TWENTIETH CONGRESS
First Regular Session

HOUSE BILL NO. 3278

Introduced by **Representative Francisco T. Matugas**

EXPLANATORY NOTE

This bill seeks to convert the circumferential roads in the island barangays of the Municipality of Dapa, Surigao del Norte into national roads.

Siargao Island is one of the prime tourism destinations in the country. The island has seen a consistent rise in both domestic and foreign tourist arrivals, contributing significantly to the local and national economy.

While Siargao is already renowned for surfing and island-hopping, there are still parts of the island that have potential for tourism growth and waiting to be discovered. These include the island barangays of the Municipality of Dapa – Bagakay, Cabawa, Dagohoy, Montserrat, San Miguel, Santa Filomena, Consolacion, San Carlos, and Buenavista. The beaches of Barangays Union, Dagohoy and Corregidor, for example, are some of the best Siargao has to offer. Also included in the tourism attractions are the almost perfect cone mountains of Alimbungog and mini-spring in Barangay Consolacion and mini-water falls in Barangays Bagakay and Sta. Felomina.

There is therefore, an urgent need to upgrade and maintain the circumferential roads in these barangays to support tourism growth and ensure safe, reliable, and efficient mobility for residents and visitors.

In view of the foregoing, the immediate passage of this measure is earnestly sought.
