TWENTIETH CONGRESS
First Regular Session

HOUSE BILL NO. 3295

Introduced by **HON. ARNULF BRYAN B. FUENTEBELLA**

EXPLANATORY NOTE

This bill seeks to formally upgrade classification of Partido District Office of the Land Transportation Office (LTO) from Class “D” to Class “C” district office.

As the LTO office covering the 4th district of Camarines Sur, composed of ten (10) municipalities, they cater to over an average of 462,770 based on 2020 PSA Census. For the past three years, it averaged a revenue collection of Php 34, 090,058.03 and had an average annual transaction of 46,959.

LTO Partido District Office is currently classified as a Class D district office with a workforce consisting of only eight (8) plantilla positions. It provides Licensing, Registration, Adjudication, and Law Enforcement services.

Upgrading the classification of LTO Partido District Office into a Class C district office will result to fourteen (14) plantilla positions and thereby creating an additional six (6) plantilla positions to its current personnel complement. With the change in classification and the consequent addition of personnel, the clients from Partido and its nearby municipalities will primarily be benefited by an enhanced and more efficient public services and faster processing time of transactions. Consequently, a higher revenue collection is also expected.

I filed this bill in the 19th Congress and am fully intent on pursuing the upgrading of our LTO Office in Tigaon this 20th Congress.

In view of the foregoing, the approval of this bill is earnestly sought.
