13 Introduced by Representative VINCENT FRANCO D. FRASCO
14

15 **EXPLANATORY NOTE**
16

17
18 This bill seeks to establish a regular campus of the Cebu Normal University in the
19 municipality of Poro, Province of Cebu, to be known as the Cebu Normal University - Poro
20 Campus, and appropriating funds therefor.
21

22 The proposed measure is similar to House Bill No. 11143, which was previously filed in
23 the 19th Congress. It was transmitted to the House Committee on Higher and Technical Education.
24 However, up to the present, the proposal has not materialized.
25

26 Section 1, Article XIV of the 1987 Constitution provides that the State shall protect and
27 promote the right of all citizens to quality education at all levels and shall take appropriate steps
28 to make such education accessible to all. Further, Section 2 (1) of the same Constitution provides
29 that the State shall establish, maintain, and support a complete, adequate, and integrated system of
30 education relevant to the needs of the people and society.
31

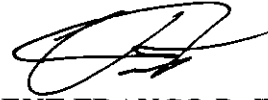

32 Cebu Normal University (CNU) is a higher education institution duly organized and
33 existing by virtue of Republic Act No. 8688, otherwise known as the Cebu Normal University
34 Charter. It was established in 1902 as a provincial normal school and a branch of the Philippine
35 Normal School. It became an independent institution in 1924, a chartered college in 1976, and a
36 university in 1998. CNU is one of the oldest educational institutions in Cebu. Currently, CNU has
37 three campuses, the main campus in Osmeña Boulevard, Cebu City and two extension campuses
38 in Medellin and Balamban.
39

40 Poro is a 4th class municipality in the province of Cebu, with a total population of 26,232
41 residing in its 17 barangays, and a total land area of 63.59 square kilometers as per the 2020
42 Philippine National Census. It is home to industries in need of technical instruction, such as
43 tourism, agriculture, fishery, manufacturing, Information Technology (BPO), and mining.
44

45 Establishing a CNU Campus in Poro will greatly benefit the families of students living in
46 far-flung areas of the Province of Cebu. Not only will it provide savings in tuition and other fees

1 to the residents, but more importantly, it will fulfil the State's policy to provide access to quality
2 tertiary education for all.

3
4 In view of the foregoing, immediate approval of this measure is earnestly requested.
