House Bill No. **3344**

EXPLANATORY NOTE

This bill was approved by the House of Representatives during the 19th Congress.

This bill seeks to declare the Mambuaya Cave in Barangay Mambuaya, Cagayan de Oro City as an ecotourism site.

Mambuaya Cave is one of the most visited tourist destinations in Cagayan de Oro City. The cave has a small opening which is only about six (6) inches airspace between ceiling and water. One has to go underwater in order to be able to enter the cave. Once inside, one can see sparkling formations of stalactites and stalagmites. The formations in the cave are truly magnificent which is one of the reasons why many tourists visit the Mambuaya Cave.

Declaring the Mambuaya Cave an ecotourism site will result in the development and improvement of the tourist site. It will also help the development of the local community.

In view of the foregoing, immediate approval of this measure is earnestly requested.
