HOUSE BILL NO. 3453

Introduced by Rep. Dante S. Garcia and Rep. Kenneth Paolo Tereng

EXPLANATORY NOTE

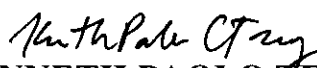

This bill aims to expand the coverage of the Tertiary Education Subsidy (TES) to grant underprivileged students the access to an education in private higher education institutions (HEIs) in situations where there are no state colleges and universities (SUGs) in areas around the country.

This bill is in fact a re-filing of House Bill 10560 authored by Committee on Higher and Technical Education chairperson Rep. Mark Go in the 18th Congress.

The measure particularly expands the eligibility of underprivileged but academically excelling Filipino students in their first undergraduate post-secondary tertiary education program in private HEIs and technical-vocational institutions (TVIs) to the TES - primarily the students who are from the Listahanan households who will be prioritized as TES beneficiaries especially in areas where there are no existing SUCs, LUCs and public TVIs, and in those areas where existing government HEIs cannot accommodate students in their respective campuses.

The immediate passage of this bill is hereby earnestly sought.
