HOUSE BILL NO. 3664

Introduced by REP. DENNIS "TOM" L. HERNANDEZ

**AN ACT
ESTABLISHING A SOCIAL WORK SCHOLARSHIP AND RETURN SERVICE
PROGRAM FOR DESERVING STUDENTS, AND APPROPRIATING FUNDS
THEREFOR**

EXPLANATORY NOTE

Social work professionals play an integral role in addressing the needs of our communities, especially the marginalized and vulnerable sectors of society. Their work is crucial in the delivery of social welfare services, disaster response, rehabilitation programs, and in safeguarding the

rights and welfare of citizens in general.

However, there is a general lack of licensed social workers despite the growing demand from local government units and various institutions. This gap is often attributed to limited access to quality education and the migration of trained professionals to other fields or countries.

To address this challenge, this bill seeks to establish a Social Work Scholarship and Return Service Program (SWSRSP) for deserving and qualified students. This program will provide financial assistance to cover tuition and other necessary expenses, enabling scholars to complete their degree in social work. In return, recipients will commit to serve in government or accredited social welfare institutions for a prescribed period, ensuring that the investment in their education directly benefits communities in need.

By ensuring a steady supply of social work professionals, this bill supports the government's broader goals of poverty alleviation, social justice, and inclusive development.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
