HOUSE BILL NO. 3880

Introduced by Representatives Daphne A. Lagon and Sonny L. Lagon

EXPLANATORY NOTE

This bill seeks to separate the Consolacion National High School Laray Extension in Barangay Nangka, Consolacion, Cebu from the Consolacion National High School and convert it into a separate and independent national high school to be known as the Nangka National High School.

This is in consonance with the constitutional mandate for the State to protect and promote the rights of all citizens to quality education at all levels and take the necessary and appropriate steps to make education accessible to all.

The Consolacion National High School – Laray Extension was established in 2015 to cater to the growing number of high school students in the Municipality of Consolacion particularly those coming from its surrounding barangays such as Nangka, Cansaga, Pitogo, Jugan, Tayud and Lamac. It is also catering to senior high school students.

Converting the Consolacion National High School – Laray Extension into a separate and independent high school will definitely enhance its fiscal viability. As such, the school will be empowered to improve its facilities to meet its growing student population and level up its quality of instruction. This will surely redound to the benefit of the general population and improve the accessibility of public education in general.

In view of these premises, the prompt approval of this measure is earnestly sought and recommended.
