HOUSE BILL NO. 4056

Introduced by HON. JOSE "JOBOY" S. AQUINO II

EXPLANATORY NOTE

Section 11, Article XIII of the 1987 Constitution provides that the state shall adopt an integrated and comprehensive approach which shall endeavor to make essential goods, health and other social services available to all the people at affordable costs. There shall be priority for the needs of the underprivileged sick, elderly, disabled, women and children. The State shall endeavor to provide free medical care to paupers.

This bill seeks to upgrade the Butuan Medical Center in Butuan City, Agusan del Norte into a Level III hospital which shall be under the supervision and control of the Department of Health.

The Butuan Medical Center (BMC) is a 150-bed capacity, government-funded Level II hospital situated in the City of Butuan in Agusan del Norte. Given its strategic location, BMC provides health care services not only to the residents of Butuan City, but to a lot of patients in its adjacent municipalities and provinces.

Presently, there are no public and private hospitals in Agusan del Norte with an equivalent of Level III service and training capability in the province.

Pursuant to the Constitutional mandate of the State to protect and promote the right to health of the people and instill health consciousness among them, the Butuan Medical Center shall continue to provide quality health services.

In view of the foregoing, the approval of this bill is earnestly sought.
