HOUSE BILL NO. 4413

Introduced by **Representative DE CARLO "OYO" L. UY**

EXPLANATORY NOTE

The 1987 Constitution recognizes the vital role of local governments and mandates their evolution into self-reliant communities. Republic Act No. 7160, or the Local Government Code of 1991, strengthens this mandate by empowering local government units, including barangays, to serve as effective partners of the national government in implementing laws, policies, and programs.

Under the Local Government Code, the barangay is the basic political unit that functions as the primary planning and implementing arm of government programs and as a forum for expressing and addressing the collective concerns of the community. With their direct access to the needs of the people, barangays play a critical role in enhancing the delivery of public services and promoting participatory governance.

In line with this, the proposed measure seeks to create Barangay Langan in the Municipality of Kapalong, Province of Davao del Norte, and grant it a just share in national taxes. This will ensure stronger local governance, improved public service delivery, and greater alignment with the objectives of decentralization.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
