TWENTIETH CONGRESS
1st Regular Session

House Bill No. **4966**

Introduced by Representatives ERIC G. YAP and EDVIC G. YAP

EXPLANATORY NOTE

In Filipino culture, the death of a family member is observed with deep respect through various death rituals and traditions. Funerals serve not only as a means for families to grieve and honor their departed loved ones, but also as a way to reaffirm ties within the community. However, for many poor families, this period of mourning is often overshadowed by the heavy financial burden of funeral and burial expenses.

The cost of a proper memorial service typically starts at ₱10,000, which can be overwhelming for many extremely poor and indigent households. Some are forced to borrow money from lenders who may impose exploitative interest rates. For extremely poor families, even the most basic funeral arrangements can be unattainable, leaving them with no dignified way to lay their loved ones to rest.

This bill seeks to institutionalize the provision of burial assistance by granting a fifty percent (50%) discount on funeral services to indigent families and free funeral services to extremely poor families nationwide. Qualified beneficiaries may avail themselves of these services upon submission of required documents and a Funeral Contract between the family, an accredited mortuary, and authorized Department of Social Welfare and Development (DSWD) personnel.

By easing the financial burden of funerals, this bill ensures that no Filipino family, regardless of their economic status, is denied the right to a dignified and respectful farewell for their loved ones.

In view of the foregoing, immediate approval of this bill is earnestly sought.
