

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

TWENTIETH CONGRESS
First Regular Session

HOUSE BILL NO. 5121

Introduced by Representative Richard I. Gomez, DPA

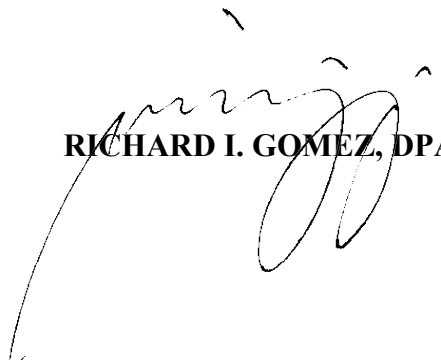

EXPLANATORY NOTE

The 1987 Constitution mandates the State to strengthen the patriotic spirit and nationalist consciousness of the military, and to ensure professionalism in the service and adequate remuneration and benefits of its members. Indeed, the Constitution recognizes the invaluable role of the military and uniformed personnel in protecting the nation and its citizens from threats, both within and without the country's borders.

In line with the constitution's recognition of the invaluable role of the military and uniformed personnel, this bill seeks to adjust the total permanent physical disability pay of members of the Philippine National Police (PNP). It is fitting to provide them with reasonable benefits, most especially in cases of permanent physical disability, and compensate them for the services they have contributed throughout their career.

This bill, which shall be known as the "Adjustment of Total Permanent Physical Disability Benefit Act," will allow for variability in inflation and salary grade in the benefits to be received by those permanently disabled in the course of performing their duties. This will be effected by using the most updated salary of the peg salary when calculating for the benefit pay.

In view of the foregoing, the swift approval of this measure is earnestly prayed.

RICHARD I. GOMEZ, DPA
