House Bill No. 5317

Introduced by Representative Reynante U. Arrogancia

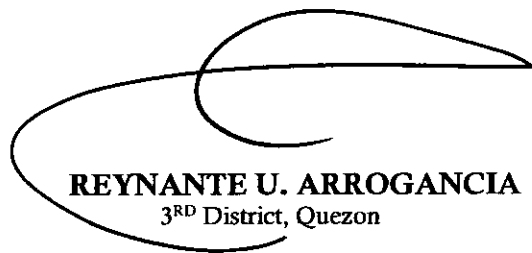

EXPLANATORY NOTE

This bill seeks the creation of skilled workers' registry in each barangay in the whole country as a source of skilled workers information.

This bill mandates each barangay to create a registry of skilled workers whose services are available in the barangay. An inventory of the skilled workers within the barangay will help the residents in the barangay to access the skills and competencies available in their area. It will benefit the residents' avail of services only with bona fide skilled workers. This bill likewise proposes that the barangay will maintain and update the registry every year or upon the initiative of the skilled worker.

The Barangay Skilled Workers Registry shall contain the information on the skilled workers with their names, addresses, contact information, skills or nature of services and their certifications.

This bill has been filed in the previous Congresses and in the current Congress. In view of the foregoing, passage of this bill is earnestly sought.

21 public a registry that will serve as a database for all skilled workers who voluntarily register
22 and are willing to make their services available in the locality. These skilled workers need
23 to be residents of the barangay concerned. In addition, the barangay shall be responsible
24 for disseminating information on how skilled workers may include details of their skills
25 and qualifications in the said registry.
26

27 **SEC. 4. Contents of the Registry.** – All skilled workers who want their names included in
28 the skilled workers registry shall provide the following details or information, to be
29 disclosed and made readily available to the public:

- (a) Name of the skilled worker;

Prohibition on Collection of Registration Fees. – The inclusion of a skilled worker’s name and corresponding details in the registry shall be free from any fee similar to or would partake in the nature of registration fees.
