

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

20th CONGRESS
First Regular Session

HOUSE BILL NO. 6131

Introduced by
HON. ATTY. GERVILLE "JINKY BITRICS" R. LUISTRO

EXPLANATORY NOTE

This bill seeks to grant Philippine citizenship to Mr. Guillaume Lucci in recognition of his significant contributions to the development of critical infrastructure and sustainable industries in the country.

Mr. Lucci has nearly twenty-five (25) years of professional experience in the planning, financing, and operations of large-scale infrastructure projects across the energy, water, power, and maritime industries. Since 2017, he has served as President and Chief Executive Officer of Prime Infrastructure Capital, Inc. (Prime Infra), a Philippine corporation engaged in the development of socially relevant and sustainable infrastructure projects. Under his leadership, Prime Infra has pursued initiatives that directly address the pressing needs of the Filipino people, including the provision of reliable water supply, the expansion of sustainable energy resources, and the advancement of modern waste management facilities.

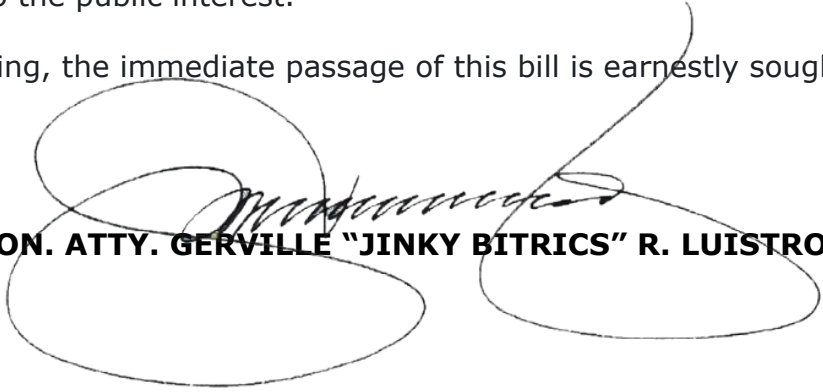

Among the projects that Mr. Lucci has overseen are the Wawa Bulk Water Supply Project, which will deliver over 518 million liters of water per day; the Malampaya Deep Water Gas-to-Power Project, which supplies approximately twenty percent (20%) of the country's energy requirements; and large-scale renewable energy ventures such as solar and pumped-storage facilities. In 2025, Prime Energy will be drilling new wells at the Malampaya Deep Water Gas-to-Power project, which has secured government support and was certified by the Department of Energy as a Project of National Significance. In addition, Prime Infra has pioneered the establishment of advanced materials recovery and waste-to-fuel plants in Cebu, Pampanga, and Cavite, thereby contributing to the country's environmental sustainability goals.

Beyond his leadership in the Philippines, Mr. Lucci is also recognized internationally as a Board Member of WasteFuel Global, Inc., a United States-based company dedicated to the production of sustainable fuels. He likewise holds advanced degrees in Structural Engineering, Mechanics and Materials, Civil/Ocean Engineering, and Mathematics, and is a registered Civil Engineer in the United States.

The conferment of Philippine citizenship upon Mr. Guillaume Lucci will not only acknowledge his invaluable role in advancing the country's development agenda but

will also allow him to more fully participate in national life and further contribute his expertise to projects vital to the public interest.

In view of the foregoing, the immediate passage of this bill is earnestly sought.

HON. ATTY. GERVILLE "JINKY BITRICS" R. LUISTRO

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

20th CONGRESS
First Regular Session

HOUSE BILL NO. 6131

Introduced by
HON. ATTY. GERVILLE "JINKY BITRICS" R. LUISTRO

AN ACT
GRANTING PHILIPPINE CITIZENSHIP TO GUILLAUME LUCCI

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1. Guillaume Lucci is hereby granted Philippine citizenship with all the rights, privileges and prerogatives, as well as the duties and obligations appurtenant thereto under the Constitution and the laws of the Republic of the Philippines.

SEC. 2. Guillaume Lucci shall take the Oath of Allegiance to the Republic of the Philippines before an officer duly authorized to administer the same. The Oath of Allegiance shall be registered with the Bureau of Immigration.

SEC. 3. Upon registration of the Oath of Allegiance, the Bureau of Immigration shall issue a Certificate of Naturalization to Guillaume Lucci who shall thereupon enter into the full enjoyment of Philippine citizenship.

SEC 4. This Act shall take effect immediately upon its publication in the *Official Gazette* or in a newspaper of general circulation.

Approved,
