House Bill No. 6208

AN ACT
ESTABLISHING A REGULAR CAMPUS OF THE NUEVA ECIJA UNIVERSITY OF
SCIENCE AND TECHNOLOGY IN THE MUNICIPALITY OF ALIAGA, PROVINCE
OF NUEVA ECIJA AND APPROPRIATING FUNDS THEREFOR

EXPLANATORY NOTE

Republic Act No. 8612 converted the then Central Luzon Polytechnic College into a specialized university now known as the Nueva Ecija University of Science and Technology (NEUST) mandated to primarily provide advanced instruction, professional training in arts, science and technology, education, and other related fields; undertake research and extension services, and provide progressive leadership in these areas; and to offer graduate, undergraduate, and short-term technical courses within areas of specialization and according to its capabilities, considering the needs of the province, the region, and the country.

In line with the goal of expanding access to quality education, this bill proposes the establishment of a regular campus of the NEUST in the Municipality of Aliaga. Although Aliaga borders Cabanatuan City, where NEUST's main campus is located, students still incur transportation and other incidental expenses that contribute to their overall financial burden. Establishing a NEUST campus in one of the largest municipalities in the First District of Nueva Ecija would not only fulfill the objective of bringing quality education closer to the people but also encourage more youth to pursue higher education.

This bill was approved on Third and Final Reading during the 19th Congress. In view of the foregoing, the immediate passage of this bill is earnestly sought. .
