TWENTIETH CONGRESS
First Regular Session
HOUSE BILL NO. 6566

Introduced by **REPRESENTATIVES JOSEPH KIM C. YU and MARIA KRISTINA

EXPLANATORY NOTE

In achieving the Constitution's mandate to the State to ensure that every Filipino child enjoys the basic right to education, schools across the country must be equipped with sufficient facilities, enough quantity of teachers, and efficient administrative support. Every School must have enough classrooms, the teachers must be highly motivated, and there should be no other hindrance in the performance of their duties, such as time-consuming travel from the parent school to the extension school. The administrative facilities must be supported with a regular source of funding and not just one that is anchored on another's source of funding, like a parent school.

This measure responds to the mandate mentioned above. By separating Tambulig National High School – Tuluan Extension from its parent school, we aim to establish it as an independent, government-recognized institution with adequate funding and resources. This will ensure that students in Barangay Tuluan receive the same quality of education as those in other schools in the Municipality of Tambulig, especially given the school's rising enrollment and the increasing need for improved facilities and additional faculty.

For reasons above, the passage of this bill is earnestly sought.
