HOUSE BILL NO. 6598

AN ACT
UPGRADING THE BENEFITS AND INCENTIVES OF BARANGAY TANOD
MEMBERS WHO HAVE RENDERED AT LEAST ONE YEAR OF SERVICE IN THE
BARANGAY GOVERNMENT

EXPLANATORY NOTE

The 1987 Constitution recognizes that "the maintenance of peace and order, the protection of life, liberty, and property, and the promotion of the general welfare are essential for the enjoyment by all the people of the blessings of democracy."¹ Largely unnoticed, Barangay Tanods play a direct role in achieving these goals by maintaining peace and order and promoting public safety at the community level.

Our barangay tanods are our government's frontliners in ensuring that every corner of the barangay remains safe, especially at night when most of the community is resting. Their tasks range from responding to minor altercations, patrolling crime-prone areas, and ensuring local peace. But despite their service, their compensation and benefits have long been inadequate, making them vulnerable not only to physical risks but also to legal and financial troubles. While members of the Barangay Tanod brigades are provided with some benefits under the Local Government Code,² these benefits are not commensurate with their commitment to public service.

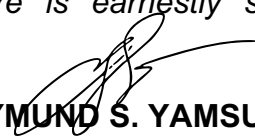

The proposed measure aims to remedy these gaps by providing members of the Barangay Tanod brigades with enhanced protection through an insurance coverage equivalent to three-fourths (3/4) of that received by the Punong Barangay, along with free legal assistance for any cases, criminal or civil, arising from actions taken in the line of duty. Additionally, the bill seeks to grant them Christmas bonuses and prioritize

their inclusion in the government's livelihood programs, as fitting recognition for the important role they play in maintaining peace and order in our communities.

In view of the foregoing, the approval of this measure is earnestly sought.
