EXPLANATORY NOTE

Northern Davao Electric Cooperative (NORDECO), Inc. was organized last September 24, 1971 pursuant to the provisions of Presidential Decree 269, as amended. It is under the supervisory authority of the National Electrification Administration, with a mandate of total electrification on an area coverage basis. NORDECO was issued an electric distribution franchise last October 30, 1978 by the National Electrification Commission to operate electric light and power for a period of fifty (50) years in the Municipalities of COMPOSTELA, MONKAYO, NEW BATAAN, MONTEVISTA, MARAGUSAN, NABUNTURAN, MAWAB, LAAK, MACO, MABINI AND PANTUKAN, IN THE PROVINCE OF DAVAO DE ORO AND MUNICIPALITIES OF ASUNCION, NEW CORELLA, KAPALONG, SAN ISIDRO, AND TALAINGOD IN THE PROVINCE OF DAVAO DEL NORTE AND THE CITY OF TAGUM.

Pursuant to Section 27 of Republic Act 9136, otherwise known as the Electric Power Industry Reform Act, the power to grant franchises shall be vested exclusively in Congress of the Philippines. Thus, this bill seeks to extend the electric distribution franchise of NORDECO for another twenty-five (25) years in order to continue providing electric light and power to the sixteen Municipalities and one (1) city within the Provinces of Davao de Oro and Davao del Norte. In its continued existence, it seeks to

require standards that the grantee must attain in order to secure an effective partnership between the state and the grantee NORDECO.

The commendable performance of NORDECO is a result of the franchise issued to operate electric light and power. NORDECO has energized one hundred (100%) percent of the Barangays within its coverage area and has lighted more than Two Hundred (200,000) Thousands of households. NORDECO has been categorized as an “A” Cooperative in 2024 and “AA” in 2023 by the National Electrification Administration- the supervising government agency.

The request of NORDECO BOARD of DIRECTORS, OFFICERS and MANAGEMENT in extending the electric distribution franchise was supported by more than sixteen thousand (16,000) member-consumers in attendance during the conduct of its 36th Annual General Membership Assembly held last October 25, 2025 at NORDECO Gym, Poblacion, Montevista, Davao de Oro as the main venue.

Further, the enactment of this bill will ensure continuous delivery of electric service from NORDECO to the sixteen Municipalities and one city enumerated above. Furthermore, it will bring forth progress in the Provinces of Davao de Oro and Davao del Norte. More so, it is in accord with the policy of the state as provided in the EPIRA Law to ensure and accelerate the total electrification of the country and to ensure the quality, reliability, security and affordability of electric power supply.

In view of the foregoing, the approval of this bill is earnestly sought.
