House Bill No. **7244**

EXPLANATORY NOTE

The barangay is the smallest administrative division in the Philippines. It is at the forefront of ensuring that the people are safe and the basic services reach them.

Barangays have taken a bigger and more important role in the country which means that there is a need for more manpower. As such, barangays now have volunteers who help including tanods, health workers, day care workers and others. These volunteers play an important role in ensuring that the basic social services reach the people and that peace and order is maintained.

Usually, these volunteer barangay workers only receive allowances and no other benefits.

As such, we need to provide additional benefits to these barangay workers in recognition of their service and sacrifice.

In view of the foregoing, the immediate approval of this measure is earnestly requested.
