House Bill No. 7283

EXPLANATORY NOTE

Macajalar Bay is a deep water bay located north of the Province of Misamis Oriental on the Mindanao island in the southern part the Philippines. Cagayan de Oro City, being the regional center of Northern Mindanao (Region X), is in one of its deep-water harbors and twelve of the Municipalities of Misamis Oriental share a coastline with the bay. This bay fronts Barangay Macabalan and has been known as Macajalar Bay since time immemorial.

However, Father Jaime S. Neri, S.J., a native Kagay-anon, conducted research at the Library of Congress in Washington DC and discovered that ancient maps on file show that the original name of the Macajalar Bay was Macabalan Bay. And the mistake in the spelling of the name was brought about by the ancient cartographers who were using feathered quills in their map-making.

This bill seeks to change the name of Macajalar Bay to Macabalan Bay to reflect the true intent of our forefathers in choosing the name of the bay.

In view of the foregoing, immediate passage of this bill is earnestly requested.
