

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Constitution Hills, Quezon City

TWENTIETH CONGRESS
First Regular Session

HOUSE BILL NO. 7385

Introduced by SWERTE Party-list Representative
ARLYN P. AYON

AN ACT
GRANTING TIMES BROADCASTING NETWORK CORPORATION A
FRANCHISE TO CONSTRUCT, INSTALL, ESTABLISH, OPERATE, AND
MAINTAIN RADIO AND TELEVISION BROADCASTING STATIONS IN
THE PHILIPPINES AND FOR OTHER PURPOSES

EXPLANATORY NOTE

This bill seeks to grant Times Broadcasting Network Corporation, a corporation duly organized and existing under the laws of the Republic of the Philippines, a legislative franchise to construct, install, establish, operate, and maintain radio and television broadcasting stations throughout the Philippines.

Times Broadcasting Network Corporation was previously granted a legislative franchise which expired in 2020. Prior to the expiration of its franchise, the corporation had been engaged in the operation of broadcast services and had contributed to the dissemination of news, public affairs, educational, and entertainment programs in areas within its authorized coverage.

In undertaking its vital role in nation-building, as enshrined in the Constitution, broadcasting entities serve as indispensable channels for public information, education, and civic engagement. Through radio, television, and emerging digital platforms, broadcasting stations provide timely, relevant, and accurate information on social, economic, and national concerns, thereby promoting public awareness and informed participation in governance.

The increasing demand for accessible, credible, and diverse sources of information underscores the need to further stimulate the broadcasting sector and allow responsible operators to expand their reach nationwide. In recent years, traditional broadcasting has faced intense competition from social media platforms, which, while widely accessible and popular, are not always subject to the same standards of

accountability, accuracy, and public service obligations imposed on broadcast entities. As such, it is incumbent upon the State to encourage and support responsible broadcasting as a vital medium for verified information, balanced discourse, and public service, consistent with its role under the Constitution. Granting a new franchise to Times Broadcasting Network Corporation will widen the spectrum of ideas and intelligent opinions available to the public, enhance healthy competition among legislative franchise holders, encourage investments in broadcast infrastructure, and generate employment opportunities.

This bill is patterned after recently approved broadcasting franchise laws and incorporates safeguards to ensure compliance with the Constitution, applicable laws, and regulatory standards, particularly those of the National Telecommunications Commission. It likewise affirms the non-exclusive nature of the franchise and reserves the power of Congress to amend, alter, or repeal the same when the public interest so requires.

In view of the foregoing, the passage of this bill granting a new franchise to Times Broadcasting Network Corporation is earnestly sought.

TWENTIETH CONGRESS
First Regular Session

HOUSE BILL NO. 7385

Introduced by SWERTE Party-list Representative
ARLYN P. AYON

AN ACT
GRANTING TIMES BROADCASTING NETWORK CORPORATION A
FRANCHISE TO CONSTRUCT, INSTALL, ESTABLISH, OPERATE, AND
MAINTAIN RADIO AND TELEVISION BROADCASTING STATIONS IN
THE PHILIPPINES AND FOR OTHER PURPOSES

Be it enacted by the Senate and House of Representatives of the Philippines in Congress assembled:

SECTION 1: *Nature and Scope of Franchise.* — Subject to the provisions of the Constitution and applicable laws, rules and regulations, there is hereby granted to Times Broadcasting Network Corporation, hereunder referred to as the Grantee, its successors or assignees, a franchise to construct, install, establish, operate, and maintain for commercial purposes and in the public interest, radio and television broadcasting stations and television broadcasting, including digital television system, through microwave, satellite or whatever means, as well as the use of any new technology in radio and television systems, with the corresponding technological auxiliaries or facilities, special broadcast and other program and distribution services and relay stations, and to install radio communications facilities for the Grantee's private use in its broadcast services.

SEC. 2. *Manner of Operation of Stations or Facilities.* — The stations or facilities of the Grantee shall be constructed and operated in a manner as will, at most, result only in the minimum interference on the wavelengths or frequencies of existing stations or other stations which may be established by law, without in any way diminishing its own privilege to use its assigned wavelengths or frequencies and the quality of transmission or reception thereon as should maximize rendition of the Grantee's services and the availability thereof.

SEC. 3. *Prior Approval of the National Telecommunications Commission.* — The Grantee shall secure from the National Telecommunications Commission (NTC) the appropriate permits and licenses for the construction and operation of its stations or facilities and shall not use any frequency in the radio spectrum without authorization

from the NTC. The NTC, however, shall not unreasonably withhold or delay the grant of any such authority.

In case of any violation of the provisions of this franchise, the NTC shall have the authority to revoke or suspend, after due process, the permits or licenses it issued pursuant to the franchise. The NTC may recommend to Congress of the Philippines the revocation of the franchise for any violation of the provisions of this franchise.

SEC. 4. *Responsibility to the Public.* — The Grantee shall provide, free of charge, adequate public service time which is reasonable and sufficient to enable the government, through the broadcasting stations or facilities of the Grantee, to reach the pertinent populations or portions thereof, on important public issues and relay important public announcements and warnings concerning public emergencies and calamities, as necessity, urgency, or law may require; provide at all times sound and balanced programming; promote public participation; assist in the functions of public information and education; conform to the ethics of honest enterprise; promote audience sensibility and empowerment including self-censorship; and not use its stations or facilities for the broadcasting of obscene or indecent language, speech, act or scene, the dissemination of deliberately false information or willful misrepresentation to the detriment of public interest, or to incite, encourage, or assist in subversive or treasonable acts.

Public service time referred herein shall be equivalent to a maximum aggregate of ten percent (10%) of paid commercials or advertisements which shall be allocated based on need to the Executive and Legislative branches, the Judiciary, Constitutional Commissions, and international humanitarian organizations duly recognized by statutes: Provided, That the NTC shall increase the public service time in case of extreme emergency or calamity. The NTC shall issue rules and regulations for this purpose, the effectivity of which shall commence upon applicability with other similarly situated broadcast network franchise holders.

Pursuant to Republic Act No. 8370, otherwise known as the “Children’s Television Act of 1997”, the Grantee shall allot a minimum of fifteen percent (15%) of the total air time of each broadcasting network or station to child-friendly shows within its regular programming.

SEC. 5. *Right of the Government.* — The radio spectrum is a finite resource that is part of the national patrimony, and the use thereof is a privilege conferred upon the Grantee by the State that may be withdrawn any time after due process.

A special right is hereby reserved to the President of the Philippines, in times of war, rebellion, public peril, calamity, emergency, disaster, or disturbance of peace and order; to temporarily take over and operate the stations or facilities of the Grantee; to temporarily suspend the operation of any station or facility in the interest of public safety, security, and public welfare; or to authorize the temporary use and operation thereof by any agency of the government, upon due compensation to the Grantee, for the use of said stations or facilities during the period when these shall be so operated.

SEC. 6. *Term of Franchise.* — This franchise shall be in effect for a period of twenty-five (25) years from the effectivity of this Act, unless sooner revoked or cancelled. This franchise shall be deemed ipso facto revoked in the event the Grantee fails to comply with any of the following conditions:

(a) Commencement of operations within three (3) years from the approval of its operating permit by the NTC;

(b) Commencement of operations within five (5) years from the effectivity of this Act; and

(c) Continuous operation for two (2) years.

SEC. 7. *Self-regulation by and Undertaking of the Grantee.* — The Grantee shall not require any previous censorship of any speech, play, act or scene, or other matter to be broadcast from its stations, but if any such speech, play, act or scene, or other matter should constitute a violation of the law or infringement of a private right, the Grantee shall be free from any liability, civil or criminal, for such speech, play, act or scene, or other matter: Provided, that the Grantee, during any broadcast, shall cut off the airing of speech, play, act or scene, or other matter being broadcast if the tendency thereof is to propose or incite treason, rebellion, or sedition; or the language used therein or the theme thereof is indecent or immoral: Provided, further, That willful failure to do so shall constitute a valid cause for the cancellation of this franchise.

SEC. 8. *Warranty in Favor of the National and Local Governments.* — The Grantee shall hold the national, provincial, city, and municipal governments of the Philippines free from all claims, liabilities, demands, or actions arising out of accidents causing injury to persons or damage to properties, during the construction or operation of the stations of the Grantee.

SEC. 9. *Commitment to Provide and Promote the Creation of Employment Opportunities.* — The Grantee shall create employment opportunities and accept on-the-job trainees in the franchise operations: Provided, That priority shall be accorded to the residents of the place where the principal office of the Grantee is located: Provided, further, That the Grantee shall comply with the applicable labor standards and allowance entitlement under existing labor law, rules and regulations and similar issuances.

The employment opportunities or jobs created shall be reflected in the General Information Sheet (GIS) to be submitted to the Securities and Exchange Commission (SEC) annually.

SEC. 10. *Sale, Lease, Transfer, Grant of Usufruct, or Assignment of Franchise.* — The Grantee shall not sell, lease, transfer, grant the usufruct of, nor assign this franchise or the rights and privileges acquired hereunder to any person, firm,

company, corporation, or other commercial or legal entity, nor merge with any other corporation or entity, nor shall the controlling interest of the Grantee be transferred, simultaneously or contemporaneously, to any person, firm, company, corporation, or entity without the prior approval of Congress. The Grantee shall inform Congress, through the Office of the Speaker of the House of Representatives and Office of the Senate President, of any sale, lease, transfer, grant of usufruct, or assignment of this franchise or the rights and privileges acquired hereunder, or of the merger or transfer of the controlling interest of the Grantee, within sixty (60) days after the completion of the said transaction. Failure to report to Congress such change of ownership shall render the franchise ipso facto revoked. Any person or entity to which this franchise is sold, transferred, or assigned shall be subject to the same conditions, terms, restrictions, and limitations of this Act.

SEC. 11. *Dispersal of Ownership.* — In accordance with the constitutional provision to encourage public participation in public utilities, the Grantee shall offer to Filipino citizens at least thirty percent (30%) of its outstanding capital stocks, or a higher percentage that may hereafter be provided by law, in any securities exchange in the Philippines within five (5) years from the effectivity of this Act: Provided, That in cases where public offer of shares is not applicable, other methods of encouraging public participation by citizens and corporations operating public utilities must be implemented. Noncompliance therewith shall render the franchise ipso facto revoked.

SEC. 12. *Reportorial Requirement.* — The Grantee shall submit an annual report on its compliance with the terms and conditions of the franchise and on its operations to the Congress of the Philippines, through the Committee on Legislative Franchises of the House of Representatives and the Committee on Public Services of the Senate, on or before April 30 of every year during the term of its franchise.

The annual report shall include an update on the commencement of activities, development, operation, and expansion of business; audited financial statements; latest GIS officially submitted to the SEC, if applicable; certification of the NTC on the status of its permits and operational; and an update on the dispersal of ownership undertaking, if applicable.

The reportorial compliance certificate issued by Congress shall be required before any application for permit or certificate is accepted by the NTC.

SEC. 13. *Fine.* - The failure of the Grantee to submit the requisite annual report to Congress shall be penalized by a fine of Five hundred pesos (P500,00) per working day of noncompliance to the NTC. The fine shall be collected separately from the reportorial penalties imposed by the NTC, and it shall be remitted to the Bureau of the Treasury.

SEC. 14, *Equality Clause.* - Any advantage, favor, privilege, exemption, or immunity granted under existing franchises, or which may hereafter be granted for radio and television broadcasting, upon prior review and approval of Congress, shall become

part of this franchise and shall be accorded immediately and unconditionally to the herein Grantee; Provided, That the foregoing shall neither apply to nor affect the provisions of broadcasting franchises concerning territorial coverage, the term, or the type of service authorized by the franchise.

SEC. 15. *Repealability and Nonexclusivity Clause.* - This Franchise shall be subject to amendment, alteration, or repeal by Congress when the public interest so requires and shall not be interpreted as an exclusive grant of the privileges herein provided for.

SEC. 16. *Separability Clause.* - If any of the sections or provisions of this Act is held invalid, all other provisions not affected thereby shall remain valid.

SEC. 17. *Repealing Clause.* - All laws, decrees, orders, resolutions, instructions, rules and regulations, and other issuances or parts thereof which are inconsistent with the provisions of this Act are hereby repealed, amended, or modified accordingly.

SEC. 18. *Effectivity.* - This Act take effect fifteen (15) days after its publication in the Official Gazette or in a newspaper of general circulation.

Approved,
