

Republic of the Philippines

Twentieth Congress
First Regular Session
HOUSE BILL NO. 7471

Introduced by Honorable Roger G. Mercado

EXPLANATORY NOTE

The road stretching from Tuburan (R.K. Kangleon Junction) to Canturing Junction of Asuncion to Bonctoc Road in Maasin City is an alternate route of the national roads coming from the central business district of Maasin City. This road is connecting two national roads, R.K. Kangleon and Asuncion – Bontoc Road.

Motorists traversing this road can by-pass the busy traffic of the central business district. However, the current condition of this road is discouraging for motorists to pass. We could safely say that the improvement of this road can ease traffic congestion of Maasin City's central business district. The conversion of this road will pave the way for its improvement.

This bill seeks to address this concern. Therefore, passage of this bill is hereby being earnestly sought.
