

TWENTIETH CONGRESS OF THE)
REPUBLIC OF THE PHILIPPINES)
First Regular Session)

HOUSE OF REPRESENTATIVES
HOUSE BILL No. 7674

Introduced by REPRESENTATIVE CLAUDINE DIANA D. BAUTISTA-LIM

AN ACT
STRENGTHENING THE MENTAL HEALTH SERVICES OF STATE UNIVERSITIES
AND COLLEGES AND APPROPRIATING FUNDS THEREFOR

EXPLANATORY NOTE

Mental health is a fundamental component of overall well-being and academic success. While Republic Act No. 11036, or the *Philippine Mental Health Act*, affirms the State's duty to provide accessible mental health services, significant gaps remain, particularly within State Universities and Colleges (SUCs), which serve millions of students nationwide.

Increasing cases of stress, anxiety, depression, and suicide ideation among students, faculty, and personnel highlight the urgent need for institutionalized, campus-based mental health support. However, many SUCs lack dedicated Mental Health Offices, sufficient guidance counselors, psychologists, and trained professionals, resulting in limited access to timely intervention and prevention services.

This measure seeks to address these gaps by mandating the establishment of Mental Health Offices in all SUC campuses and providing for the hiring, training, and deployment of SUCs-based mental health service personnel. It also promotes awareness campaigns, crisis intervention mechanisms, suicide prevention programs, and continuous professional development for mental health practitioners, in coordination with concerned government agencies.

By strengthening mental health services within SUCs, this bill aims to foster safer, healthier, and more supportive learning environments, ensuring that students, faculty, and staff receive the care and support they need to thrive academically and personally.

In view of the foregoing, the immediate passage of this bill is earnestly sought.

REP. CLAUDINE DIANA D. BAUTISTA-LIM
