

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Batasan Hills, Quezon City

TWENTIETH CONGRESS
First Regular Session

HOUSE BILL NO. 7773

Introduced by
HON. NELSON R. DAYANGHIRANG, JR.

EXPLANATORY NOTE

The Municipality of Cateel in the Province of Davao Oriental remains without a TESDA Training and Assessment Center or any formal public facility for technical-vocational education. This absence significantly limits opportunities for residents—particularly low-income individuals, out-of-school youth, persons with disabilities, and indigenous peoples to acquire employable and in-demand skills, as they are forced to travel to other municipalities to access training and certification.

The lack of accessible technical-vocational education and training (TVET) facilities hampers workforce development, reduces employability, and constrains the municipality's capacity to support local industries, livelihood programs, and economic growth. Without a local training and assessment facility, many residents remain excluded from skills development initiatives that are essential for improving income and self-reliance.

This measure proposes the establishment of a TESDA Training and Assessment Center in the Municipality of Cateel to serve as a dedicated public facility for training, assessment, and certification, in accordance with TESDA standards. The proposed Center will address the existing service gap, expand access to technical-vocational education, and ensure that skills development opportunities are inclusive, sustainable, and responsive to the needs of the municipality.

In view of the foregoing, immediate passage of this bill is earnestly sought.

HON. NELSON R. DAYANGHIRANG, JR.
