AN ACT
CONVERTING THE GUIMBA – PURA PROVINCIAL ROAD STRETCHING FROM
BARANGAY CASONGSONG TO BARANGAY SAN MIGUEL, MUNICIPALITY OF
GUIMBA INTO A NATIONAL ROAD AND APPROPRIATING FUNDS THEREFOR

EXPLANATORY NOTE

Strategic roads that connect local communities to establish national routes are essential to promoting balanced countryside development. The Guimba – Pura Road, approximately 8.145 kilometers in length, links several barangays in the Municipality of Guimba and connects directly to the Nueva Ecija – Pangasinan Road, a national secondary road.

Despite its current local classification, the road functions as an essential access route to the national highway network. It supports agricultural transport, eases vehicular congestion along alternative routes, and enhances accessibility for residents and businesses. Its role in facilitating intra- and inter-provincial mobility highlights its broader economic and logistical value.

The proposed conversion of this road into a national road will guarantee consistent infrastructure support, promote safer and more efficient travel, and contribute to sustained economic activity within the locality.

In view of the foregoing, the immediate passage of this measure is earnestly sought.
