House Bill No. 7991

EXPLANATORY NOTE

This bill seeks to convert the Osmena Extension Street to the CDO Port Road in Cagayan de Oro City to a national road.

The road is presently in poor condition and in need of immediate repair and rehabilitation. City and provincial funds are not available for its maintenance and/or upgrading. Hence, the need to use other sources.

With the proposed improvements to the Osmena Extension Street to the CDO Port Road, easier access to both points would be ensured and the potentials for commercial and industrial development would be realized.

With its conversion into a national road it would receive much needed funding and assistance it deserves.

Passage of this measure is earnestly requested.
