HOUSE BILL NO. 8085

Introduced by Representative Crispin Diego “Ping” D. Remulla

**AN ACT ESTABLISHING AN EXTENSION OFFICE OF THE LAND
TRANSPORTATION OFFICE (LTO) IN TRECE MARTIRES CITY, CAVITE
AND APPROPRIATING FUNDS THEREFOR**

EXPLANATORY NOTE

The City of Trece Martires, known as the administrative capital of the Province of Cavite, has transformed into a primary hub of commerce, governance, and residential growth. As the seat of the provincial government, it serves as a central point for thousands of Caviteños who traverse the city daily for business, employment, and public services. This progress has driven a significant rise in vehicle ownership, driver’s license applications, vehicle registrations, and other LTO-related transactions. This rapid urbanization and the city’s strategic location have resulted in a monumental increase in vehicle volume and a surging demand for land transportation services.

However, the absence of a local LTO extension office compels residents to travel long distances to the nearest branch, often incurring substantial costs, time, and inconvenience. This often results in long queues, unnecessary travel expenses, and a significant loss of productive hours for the transacting public. This situation not only burdens the people of Trece Martires but also hinders the efficient delivery of essential government services.

The proposed establishment of an LTO extension office in Trece Martires City aligns with the government’s commitment to bringing public services closer to the people. By

establishing a presence in the provincial capital, we uphold the government's mandate to streamline processes and provide the highest quality of service to the people of Cavite.

In view of the foregoing, the approval of this bill is earnestly sought.
