House Bill No. 8140

INTRODUCED BY HONORABLE AMADO CARLOS BOLILIA IV

EXPLANATORY NOTE

The bill seeks for a conversion of the Poblacion 3, San Jose-Poblacion, Ibaan provincial road into a national road.

Efficient road infrastructure is a pertinent part of the lifeblood of trade and commerce. The Poblacion 3, San Jose-Poblacion, Ibaan Road is a 7.564 kilometer asphalt road. It provides a vital link to the town centers of the Municipalities of San Jose and Ibaan, which have a combined population of approximately 140,000. Because of its importance to the economic development of the 4th District of Batangas, ensuring its maintenance is crucial. The local government, with the sole responsibility of maintaining the road, cannot fully fulfill the financial demands.

For the foregoing reasons, the conversion of the Poblacion 3, San Jose-Poblacion, Ibaan Road from provincial to national under the auspices of the Department of Public Works and Highways, has become imperative.

The passage of this bill is therefore earnestly sought.
