House Bill No. 8142

INTRODUCED BY HONORABLE AMADO CARLOS BOLILIA IV

EXPLANATORY NOTE

The bill seeks for a conversion of the Poblacion-Dagatan, Taysan Provincial road into a national road.

This 8.700 kilometer stretch of road is partly asphalted and is already showing signs of deterioration such as potholes and surface defects. These conditions are further aggravated during the rainy season, thus threatening the safety of motorists.

The Municipality of Taysan is largely agricultural and has a flourishing cement industry. A better road infrastructure will help boost the socio-economic activities not only of this town but of Batangas in general. However, due to the budget limitations of the local government, it cannot fully provide for the maintenance and improvement of the said road.

The maintenance and improvement of the Poblacion-Dagatan, Taysan Road is well within the capacity of the national government. The conversion of this road from provincial to national will undoubtedly serve to propel the economic development not only of the Municipality of Taysan but also the entire district.

Hence, the immediate enactment and approval of this bill is earnestly sought.
