

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Metro Manila

Twentieth Congress
First Regular Session

House Bill No. 8212

Introduced by Honorable Roy M. Loyola

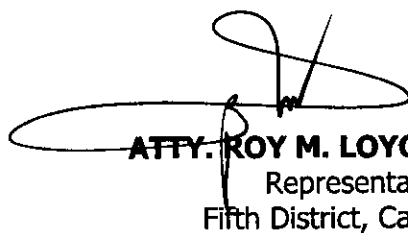

EXPLANATORY NOTE

This bill seeks to formally upgrade the classification of the Carmona District Office of the Land Transportation Office (LTO) from Class "D" to Class "C".

Located in the rapidly developing City of Carmona, Cavite, this office has demonstrated consistent growth and high operational demand. For the period of CY 2023 to CY 2025, the Carmona District Office achieved an impressive average annual revenue collection of Php 99,160,751. Furthermore, it handled a total annual volume of transactions averaging 182,818 per year, which includes motor vehicle registrations, license issuances, and law enforcement adjudications.

Currently classified as a Class "D" office, the facility operates with limited personnel and resources that do not fully match its high transaction volume. Upgrading to a Class "C" district office will allow for a more robust plantilla, including positions such as a Supervising Transportation Regulation Officer, Administrative Officers, and specialized technical staff like Driving Skills Raters and an Assistant Statistician.

In view of the sustained performance and the increasing needs of the constituency, the immediate passage of this bill is earnestly sought.
