HOUSE BILL NO. 8684

Introduced by Representative Kenneth T. Gatchalian

EXPLANATORY NOTE

This bill seeks to convert the city road of CJ Santos, Malinta in the City of Valenzuela, Metro Manila into a national road.

At present, this roadway serves as a vital thoroughfare, accommodating heavy daily traffic from both local residents and travelers from neighboring municipalities. Given its strategic importance, it is imperative to ensure that the road is maintained to the highest standards for the safety, convenience, and mobility of the commuting public.

Placing CJ Santos, Malinta under the jurisdiction of the national government will allow for better allocation of resources and more efficient maintenance, as well as ensure its integration into the broader national infrastructure development plan. This conversion will not only enhance road quality and traffic management but will also contribute significantly to the long-term effort of alleviating the traffic congestion that continues to burden Metro Manila.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
