HOUSE BILL NO. 9442

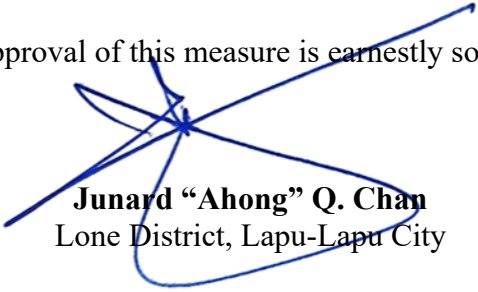

Introduced by **Representative Junard “Ahong” Q. Chan**

EXPLANATORY NOTE

This bill seeks to rename the Sta. Rosa Community Hospital located in Barangay Talima, Olango Island, Lapu-Lapu City, to Lapu-Lapu City Hospital-Olango (LLCH-O).

Established more than 44 years ago by virtue of Batas Pambansa Blg. 134 enacted on 12 September 1981, the Sta. Rosa Community Hospital serves as the City-owned health facility that caters to the residents of Olango and the City of Lapu-Lapu. Renaming the hospital to LLCH-O will reflect this present role, provide a unified and updated hospital identity, and ultimately contribute to the fulfilment of the City’s expanded health services delivery. Moreover, this move will reduce the risk of misrouting in emergency referrals and inter-facility transfers, ensure consistency in Department of Health licensing, PhilHealth accreditation and claims, procurement, and official records. Renaming it will likewise eliminate confusion with similarly named hospitals in the country, including those in the province of Laguna.

In view of the foregoing, the immediate approval of this measure is earnestly sought.
