TWENTIETH CONGRESS
Second Regular Session

House Bill No. 10110

INTRODUCED BY REP. PATRICK MICHAEL "PM" D. VARGAS

AN ACT
ESTABLISHING A JOB TRAINING PROGRAM FOR MATURE
OR OLDER WORKERS

EXPLANATORY NOTE

Article XIII, Section 3 of the 1987 Philippine Constitution provides:

"The State shall afford full protection to labor, local and overseas, organized and unorganized, and promote full employment and equality of employment opportunities for all."

In recognition of this, the 16th Congress of the Republic of the Philippines pushed for the enactment of Republic Act No. 10911, otherwise known as the "Anti-Age Discrimination Employment Act." This law aims to prohibit arbitrary age limitations in employment and promote the employment of individuals on the basis of competencies rather than their age. Despite this development, many workers who are 18 years old and above still find it difficult to secure employment due to the lack of skills and increased competition in the job market.

This bill seeks to provide mature or older workers with the necessary educational and occupational skills to improve their employability and productivity. Under this proposal, the Department of Labor and Employment is directed to develop a job training program designed for employees above 40 years of age and the demands of the job market.

It is the hope of this measure to empower mature employees to be able to compete with their young, fresh-out-of-school counterparts, thus giving them an opportunity to contribute to the labor force and better themselves and their families.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
