Second Regular Session

HOUSE BILL NO. 10534

Introduced by REPRESENTATIVE ELEANDRO JESUS F. MADRONA

EXPLANATORY NOTE

The establishment of Land Transportation Franchising and Regulatory Board (LTFRB) District Office in the Province of Romblon will make the services of LTFRB more accessible and convenient for transport operators, drivers, and other public transportation stakeholders in Romblon. This will significantly reduce the travel-related expenses for transport operators, which would eventually redound to the benefit of the commuting public.

It is the policy of the State to ensure quality service, thus, this establishment of LTFRB District Office is in line with the government's commitment of bringing quality public services closer to the people. Locating this district office in the Municipality of San Agustin would maximize service coverage as it is strategically located in the province, with existing district or satellite offices of other government agencies.

In support of this measure, LTFRB Region 4B MIMAROPA and local government partners, with this Representation officially signed a Memorandum of Agreement (MOA) on July 24, 2026 in San Agustin, Romblon for the establishment of LTFRB Region 4B MIMAROPA Satellite Office in the province.

Therefore, the passage of this bill is earnestly sought.
