House Bill No. **11034**

Introduced by Representative Jason P. Almonte

EXPLANATORY NOTE

This bill seeks to amend Republic Act No. 11282, which converted the Oroquieta Agro-Industrial School into the Misamis Occidental State College (MOSC).

To align the legislative and executive composition of the Board of Trustees with the updated government structures and legislative mandates, this measure updates the designation of the House representative to the Chairperson of the Committee on Higher and Technical Education, updates NEDA to the Department of Economy, Planning, and Development (DEPDev), and explicitly includes a representative of the nonteaching personnel association as well as federation-level representation for existing sectors.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
