

To highlight, registered voters of Barangay Tanglagan did not participate in the plebiscite conducted on March 24, 2018 for the ratification of RA 10955.

Further, the Calanasan Cadastre (CAD 995-D) approved on December 7, 1989 and CAD 995-D Ext. approved on February 20, 2018 show the overlap and existing boundary dispute between the municipality of Calanasan and the municipality of Dumalneg. In settlement of the boundary dispute, status quo shall be observed - the Municipality of Calanasan shall continue to exercise political, administrative, and territorial jurisdiction over the disputed area.

Finally, the amendment of the law will be consistent to the intent of the law itself, that is, to divide barangay Dumalneg only as explicitly provided in Sections 1 and 2 of RA 10955, to the exclusion of areas in other municipalities and province. Thus, the territorial boundaries of Barangay Bucarot, Barangay Parina, and Barangay Tanglagan, all in the Municipality of Calanasan, Province of Apayao, should be free from any encroachment, remain intact and unaltered.

In view of the foregoing, the immediate passing of this bill is earnestly sought.
