TWENTIETH CONGRESS
Second Regular Session

HOUSE BILL NO. 11272

Introduced by Rep. FERDINAND ALEXANDER A. MARCOS
1st District, Ilocos Norte

EXPLANATORY NOTE

Mayor Cesar A. Ventura was a public servant of the City of Laoag. One of his enduring projects was the road leading to the La Paz Sand Dunes and the La Paz coastline, now associated with the name "Ventura Highway." The project reflected his vision of opening the area for the people of Laoag and developing it as a recreational and tourism destination. According to the Laoag City government's recognition of outstanding Laoagueños, Mayor Ventura personally mobilized heavy equipment and workers to help complete the road.

The formal naming of the road as the Mayor Cesar A. Ventura Highway will preserve this historical association and provide appropriate recognition to a former city mayor whose public service contributed to the development of Laoag.

The measure is likewise intended to establish the official name of the road for purposes of government records, maps, signages, and other official references.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
