

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

TWENTIETH CONGRESS
Second Regular Session

HOUSE BILL NO. 11458

Introduced by **HON. BRIAN RAYMUND S. YAMSUAN**

AN ACT
PROVIDING FOR THE RANK CLASSIFICATION AND ORGANIZATION OF KEY
POSITIONS IN THE BUREAU OF FIRE PROTECTION (BFP) AND THE BUREAU
OF JAIL MANAGEMENT AND PENOLOGY (BJMP), AMENDING FOR THE
PURPOSE REPUBLIC ACT NO. 9263, OTHERWISE KNOWN AS THE "BUREAU
OF FIRE PROTECTION AND BUREAU OF JAIL MANAGEMENT AND PENOLOGY
PROFESSIONALIZATION ACT OF 2004", AS AMENDED BY REPUBLIC ACT
NO. 9592

EXPLANATORY NOTE

Republic Act No. 6975, otherwise known as the DILG Act of 1990, laid the foundation for a more organized public safety and peace and order system in the Philippines. Among the agencies established under the law are the Bureau of Fire Protection (BFP) and the Bureau of Jail Management and Penology (BJMP)---agencies which have particularly important responsibilities in highly urbanized and densely populated cities. In communities where large numbers of people live and work within limited spaces, the risk of fires, emergencies, overcrowding, and other public safety concerns is greater. Hence, the effective performance of their respective mandates directly contributes to public safety, security, and the maintenance of peace and order.

Given the increasingly complex demands placed upon these agencies, there is a need to strengthen their organizational structures and professional standards. In 2018, Republic Act No. 11200 was enacted to update the rank classifications of the BFP and BJMP. These reforms were intended to establish clearer lines of authority and responsibility, improve organizational efficiency, and address ambiguities in the existing rank structure.

However, organizational reforms must be complemented by measures that strengthen the qualifications and capabilities of those entrusted with leadership and supervisory responsibilities. For this reason, this proposed measure seeks to prescribe higher educational qualifications for certain positions in the BFP and BJMP. Higher educational standards are expected to enhance the capacity of personnel to manage their

responsibilities, exercise sound judgment, and effectively lead uniformed personnel in the performance of their duties.

The proposed measure recognizes that the BFP and BJMP are essential components of the country's public safety and peace and order framework. Strengthening their leadership and professional standards is particularly important in densely populated urban areas, where the demands on these agencies are greater and where effective coordination, supervision, and decision-making can have a direct impact on the safety and welfare of the public.

In view of the foregoing, the immediate passage of this bill is respectfully and fervently sought.

BRIAN RAYMUND S. YAMSUAN

Representative

2nd District of Parañaque
