SUSPENSION OF SESSION

REP. DALIPE. Mr. Speaker, I move that we suspend the session for a few minutes.

THE DEPUTY SPEAKER (Rep. Puno). The session is suspended.

It was 2:27 p.m.

RESUMPTION OF SESSION

At 2:28 p.m., the session was resumed with Speaker Ferdinand Martin G. Romualdez presiding.

THE SPEAKER. The session is resumed. Mr. Majority Leader.

REP. MARCOS. Mr. Speaker, I move that the Lady from the Lone District of Abra, the Hon. Ching Bernos, be recognized on a question of privilege.

THE SPEAKER. The Lady from the Lone District of Abra, Hon. Ching Bernos, is recognized.

QUESTION OF PRIVILEGE
OF REP. BERNOS

REP. BERNOS. Thank you, Mr. Speaker. Distinguished colleagues, good afternoon.

Earlier today, at 8:43 a.m., the province of Abra, specifically the municipality of Lagangilang, was hit by a magnitude 7.3 earthquake. This strong earthquake was felt as far as the southern parts of Luzon, including us here in Metro Manila. Social media was abuzz with the far-reaching effects of that earthquake, but no more than the shock it imprinted to the people of Abra who bore the brunt of the earthquake's intensity. Through the information relayed to our office from the Provincial Disaster Risk Reduction and Management Council, there was one casualty from Barangay Zone 5, Bangued, Abra, while 47 injuries were recorded across six municipalities.

This is the strongest earthquake to have impacted our province in recent memory and even the region since the 1990 earthquake in Baguio. According to PHIVOLCS Undersecretary Renato Solidum Jr., this is a major earthquake as anything beyond magnitude 7 can be devastating. Several photos have been circulating now, showing the extent of the damage in various communities in Abra. Windows of homes were shattered, while walls of establishments showed cracks. Many school buildings that will be used

when face-to-face classes open next month and health facilities like rural health units, responsible for the first-level response in the middle of the COVID-19 pandemic, were also damaged. Even our Abra Provincial Hospital had shown signs of damages that patients had to be evacuated to safety as the entire province prepared for multiple aftershocks. These multiple aftershocks occurred every 15 to 20 minutes and our people felt more than 20 aftershocks since. Many were on their toes, vigilant on the possibility of another strong shaking.

Moreover, communication lines were unstable and Abreños from other places found it difficult to reach their family members. Many people were also stranded along major roads and bridges in the area of responsibility as the earthquake had also destroyed the roads and bridges, and made many of them unpassable. Power was also interrupted, further complicating reporting on the extent of the damages to the province.

As a mother of four, their safety is my utmost priority. But now, as the mother of the entire province of Abra, of all its more than 250,000 residents, I am grieving for the possible lasting effects of this to their security. We need to look beyond this disaster. We are a mountainous province with the mighty Abra River twisting our terrain. We may not be able to predict when an earthquake occurs, but we can certainly mitigate its effects. We need to insulate our communities from the devastating impacts of an earthquake to households and livelihoods.

I commend all LGUs, the local police, the military and the civil society for their quick response to come to the aid of their kaka-ilyan. I thank everyone in Abra for helping disseminate true information on the current situation on the ground.

Mr. Speaker, distinguished colleagues, I am standing here as the Representative of the people of Abra, imploring our kaka-ilyan, our President Ferdinand Romualdez Marcos Jr., to extend all available assistance to the province of Abra, to help us rise from the ashes of this devastating disaster. We ask him to mobilize relevant agencies like the NDRRMC, DSWD, DepEd, DOH, DPWH, PNP, AFP, and the

DOTr to help us get back on track. We are optimistic that the father of our nation will look after us and help us get back on our feet, as we resilient Abreños have always done since time immemorial. I assure you, Abra will rise again. To echo our President's call, "Sama-sama tayong babangon muli!"

Most importantly, Mr. Speaker, distinguished colleagues, please continue to pray for our brothers and sisters in Abra, that the Almighty God give us strength to rise from this soon. We ask for your help, now more than ever. Abra needs your help.

Thank you very much. *(Applause)*

THE SPEAKER. Majority Leader.

MESSAGE FROM THE PRESIDENT

MALACAÑAN PALACE
MANILA

July 1, 2022

THE HONORABLE SPEAKER
and Members of the House of Representatives
House of Representatives
Batasan Hills, Quezon City

Ladies and Gentlemen:

Pursuant to Section 27(1), Article VI of the 1987 Constitution, I am returning herewith without my signature the enrolled House Bill No. 7575, entitled:

“AN ACT ESTABLISHING THE
BULACAN AIRPORT CITY
SPECIAL ECONOMIC ZONE
AND FREEPORT, PROVINCE OF
BULACAN AND APPROPRIATING
FUNDS THEREFOR.”

At the foreground, fiscal prudence must be exercised particularly at times when resources are scarce and needs are abundant. While this administration recognizes the objective of the proposed measure to accelerate economic growth in its locality, I cannot support the bill considering the provisions that pose substantial fiscal risks to the country and its infringement on or conflict with other agencies' mandates and authorities.

It must be emphasized that Republic Act (RA) No. 11534¹ already allows eligible enterprises to apply for and avail of tax incentives outside economic zones by providing a favorable incentive package without the need for creating new special economic zones. Subject to the review and approval of the Fiscal Incentives Review Board, tax incentives may be availed by qualified enterprises and will be enjoyed longer if investments are located in less-developed areas.

Aside from the abovementioned fiscal considerations, the proposed measure lacks coherence with existing laws, rules, and regulations by failing to provide audit provisions for the Commission on Audit, procedures for expropriation of lands awarded to agrarian reform beneficiaries, and a master plan for the specific metes and bounds of the economic zone. Moreover, the enrolled bill grants the economic

zone authority rule-making powers relative to environmental protection that is not found in the charter of other economic zones. It is also granted blanket powers to handle technical airport operations in contravention of existing aeronautical laws. Furthermore, the proposed economic zone is located in close proximity to the Clark Special Economic Zone, which is against the government's policy on creating special economic zones in strategic locations. Further, the National Economic and Development Authority and the Regional Development Council III assert the need to thoroughly study and assess the costs to ensure that the establishment of the economic zone would be beneficial to the whole country.

Contrary to the Government's objective of developing a tax system with low rates and a broad tax base, the Enrolled Bill will significantly narrow our tax base with its mandated incentives applicable to registered enterprises. As the system would be rendered incapable of generating a yield sufficient to sustain the country's social and economic infrastructure, the Government would be forced to seek new sources of revenue through additional taxes or borrowings in the future. In the end, it is the taxpayers who will ultimately bear the brunt of the burden.

In view of these considerations, I am constrained to veto the above-mentioned Enrolled Bill.

Very truly yours,
(Sgd.) Ferdinand Romualdez Marcos Jr.
President

RESUMPTION OF SESSION

At 7:54 p.m., the session was resumed.

THE DEPUTY SPEAKER (Rep. Puno). The session is resumed.

Majority Leader.

REP. DALIPE. Mr. Speaker, I move to resume the consideration of House Concurrent Resolution No. 2. May I request the Secretary General to read the title of House Concurrent Resolution No. 2.

REP. LAGMAN. Mr. Speaker, I object.

THE DEPUTY SPEAKER (Rep. Puno). Is there any objection?

REP. LAGMAN. Objection.

THE DEPUTY SPEAKER (Rep. Puno). What is the pleasure of the Honorable Lagman?

REP. LAGMAN. Mr. Speaker, the parliamentary status of House Concurrent Resolution No. 2 is that upon motion by no less than the Majority Leader, it was suspended and that motion was approved by the Speaker because there was no objection. We cannot consider this Concurrent Resolution unless the suspension is reconsidered pursuant to our rules.

REP. DALIPE. Mr. Speaker.

REP. LAGMAN. Now, before – but,

how can we reconsider the suspension, Mr. Speaker, that apparently there is no more quorum present in the plenary and, I checked, there are also very few in attendance virtually?

So, I move to adjourn, Mr. Speaker.

SUSPENSION OF SESSION

REP. DALIPE. Mr. Speaker, I move to suspend the session for a few minutes.

THE DEPUTY SPEAKER (Rep. Puno). Is there any objection? (*Silence*) The Chair hears none; the motion is approved.

The session is suspended.

It was 7:55 p.m.
