## **OBJECTIVES**

- To authorize the appropriation of funds for the operation of the national government (NG), including subsidy to the local government units (LGUs) and government-owned and -controlled corporations (GOCCs) for Fiscal Year (FY) 2025.
- To approve the national budget for FY 2025 amounting to P6.352 trillion, which is anchored on the theme "Agenda for Prosperity: Securing a Future-Proof and Sustainable Economy", which continues to pursue post-pandemic recovery and move the country towards the promised future of an inclusive and sustainable economy where no Filipino is left behind.
- To fund key programs and measures aimed at fortifying the 8-point socioeconomic agenda of the administration.

## **KEY PROVISIONS**

- Reinvigorates job creation and reduce poverty by steering the economy back to its high-growth path in the near term and sustaining its high, inclusive, and resilient growth in the long term.
- Provides funding for the key programs and measures aimed at fortifying the 8-point socioeconomic agenda of the administration, namely: (1) food security; (2) improved transportation; (3) affordable and clean energy; (4) health care; (5) social services; (6) education; (7) bureaucratic efficiency; and (8) sound fiscal management.
- Authorizes the release and obligation of funds until December 31, 2026, except for Personnel Services which shall be available for release, obligation, and disbursement until December 31, 2025. Subsidies released to LGUs and GOCCs under this Act shall be valid until fully expended.
- Provides that the construction of infrastructure projects, delivery of goods and services, and inspection of infrastructure Capital Outlays, MOOE, and other Capital Outlays shall be made not later than December 31, 2026.
- Directs that after the end of the validity period, all unreleased appropriations, unobligated allotments, and obligated allotments for goods/ services/ projects not yet delivered, rendered, or completed shall revert to the unappropriated surplus of the General Fund.

- Adopts the following parameters and assumptions in the formulation of the National Budget:
  - a. A gross domestic product (GDP) growth rate of 6.5 to 7.5 in 2025. Inflation rate of 2.0 – 4.0; 364-day T-bill rates of 4.5 – 5.5; and foreign exchange rate of 55.00 – 58.00 peso to one US dollar;
  - b. A fiscal program with the following major features, among others:
    - 1) Total revenues of P4,644.4 billion in FY 2025, which translates to 16.2 percent of GDP and is higher by 8.8 percent from the FY 2024 revenue program of P4,269.9 billion;
    - 2) Consolidated public sector deficit of P603.849 billion or 2.1% percent of GDP;
    - 3) National government budget deficit of P1,537.7 billion or 5.3 percent of GDP;
    - 4) Outstanding national government debt of P17.354 trillion or a debt-to-GDP ratio of 60.36 percent by end-2025;
  - c. A budget of P6.352 trillion, which corresponds to 22.1 percent of GDP, and 10.14 percent higher or P584.79 billion more than the FY 2024 budget of P5.768 Trillion.
  - d. Programmed New Appropriations of P4.247 trillion, together with the P2.105 trillion in Automatic Appropriations which is outside the purview of this General Appropriations Bill, will provide for the appropriation cover for the P6.352 trillion budget.
- Provides the following Sectoral allocation of the budget:
  - a. The social services sector will receive the largest share with P2.121 trillion or 33.38 percent of the total FY 2025 budget, which aims to support government programs that promote human and social development, including health and education.
  - b. The economic services sector will receive the second largest share at 29.16 percent with a P1.853 trillion allocation to ensure a steady supply of affordable food while protecting the rights of the farmers and farm works through strengthened initiatives. This will also cover the implementation of key programs for natural resources and the environment, revitalization of industry and promotion of trade and investments, sustainment of the positive

momentum of the tourism industry, and the construction and maintenance of flood mitigation structures and drainage systems, among others.

- c. The general public services sector ranks third with P1.083 trillion or 17.05 percent, while the defense sector ranks last with P419.30 billion or 6.60 percent of the total national government budget.
  - d. Debt Burden, including interest payments and net lending, is allotted P876.73 billion or 13.80 percent of the total budget.
- Distributes the budget by expense class:
    - a. Maintenance and Other Operating Expenses or MOOE comprises the largest share of the FY 2025 budget with P2.42 trillion or 38.11 percent. The MOOE budget supports the implementation of various education, health, and social protection programs, the operations of departments, agencies, and subsidies to government-owned and -controlled corporations. The proposed budget for MOOE includes the automatically appropriated shares of LGUs, such as the P1.035 trillion earmarked for the National Tax Allotment and the P83.4 billion for the Bangsamoro Autonomous Region in Muslim Mindanao
    - b. Personnel Services (PS) accounts for the second largest share of the budget, as substantial P1.757 trillion or 27.66 percent is allocated for the salaries, benefits, pensions, allowances, and other compensation of government officials and employees. This includes salaries of healthcare workers under the National Health Workforce Support System and the pension of retired Military and Uniformed Personnel.
    - c. The Capital Outlays and Net Lending will receive an allocation of P1.327 trillion or 20.89 percent of the proposed budget. This significant allocation is primarily for the various projects of the Department of Public Works and Highways (DPWH), Department of Transportation (DOTr), Department of Agriculture (DA), and Department of Education (DepEd).
    - d. The Financial Expenses for the payment of interest on loans and bank charges amounts to P848.07 billion or 13.35 percent of the total budget.
  - Identifies the distribution of the budget by recipient entity:
    - a. Consistent with the state policy provided in Section 5, Article XIV of the 1987 Constitution of assigning the highest budgetary priority to education, the DepEd, State Universities and Colleges (SUCs), Commission on Higher Education (CHED), the Technical Education and Skills Development Authority

(TESDA) and other education-related institutions are allocated a total budget of P977.6 billion in FY 2025. The allocation will be used to fund major programs of the DepEd such as Basic Education Facilities (BEF), Government Assistance and Subsidies (GAS), and an increase in the allowances of public school teachers under the "Kabalikat sa Pagtuturo Act." It also supports the Universal Access to Quality Tertiary Education (UAQTE) of CHED, reskilling and upskilling programs like Special Training for Employment Program, Training for Work Scholarship Program and Tulong Trabaho Scholarship Program of TESDA.
