Be it enacted by the Senate and the House of Representatives of the Republic of the Philippines in Congress assembled:

1 **SECTION 1. Nature and Scope of Franchise.** – Subject to the provisions of
2 the Constitution and applicable laws, rules and regulations, there is hereby granted
3 to the Occidental Mindoro Electric Cooperative, Inc. (OMECO), hereunder referred to
4 as the Grantee, its successors or assigns, a franchise to construct, install, establish,
5 operate, own, manage and maintain in the public interest and commercial purposes,
6 a distribution system for the conveyance of electric power to the end-users in the
7 Municipalities of Magsaysay, San Jose, Rizal, Calintaan, Sablayan, Sta. Cruz,
8 Mamburao, Abra De Ilog, Paluan, Province of Occidental Mindoro.

9
10 As used in this Act, "distribution system" refers to the system of wires and
11 associated facilities including subtransmission lines belonging to or used by a
12 franchised distribution utility extending between the delivery point on the national
13 transmission system or generating facility and the metering point or facility of the
14 end-user.
15

16 **SEC. 2. Manner of Operations of Facilities.** – All electric distribution
17 facilities, lines and systems for electric services installed, owned, operated, managed
18 or maintained by the Grantee, its successors or assignees, shall be operated or

1 maintained at all times in a superior manner, and it shall be the duty of the Grantee,
2 its successors or assignees, whenever required to do so by the Energy Regulatory
3 Commission (ERC), or its legal successor, or the Department of Energy, or its legal
4 successor, or the National Electrification Administration (NEA), or its legal successor,
5 or any other government agency concerned to modify, improve and change such
6 facilities or systems in such manner and to such extent as the progress in science or
7 technology and improvements or innovations in electric power services may render
8 reasonable and proper.

9
10 Whenever practicable, and for purposes of maintaining order, safety and
11 aesthetics along the highways, roads, streets, alleys, or right-of-way, the Grantee
12 may allow the use of free spaces in its poles, facilities, or right-of-way by interested
13 parties upon reasonable compensation to the Grantee considering the costs incurred
14 to accommodate and administer the use of the Grantee's facilities by such parties.
15 The ERC shall decide in case of dispute or disagreement between the parties.

16
17 **SEC. 3. Authority of the ERC and NEA.** – The Grantee shall secure from
18 the ERC or the NEA or any government agency having jurisdiction over its

22
23 **SEC. 4. Excavation and Restoration Works.** – For the purpose of erecting
24 and maintaining the poles or other supports for said facilities, wires or other
25 conductors or for the purpose of laying and maintaining said facilities, wires, cables
26 or other conductors, it shall be lawful for the Grantee, its successors or assignees,
27 with the prior approval of the Department of Public Works and Highways (DPWH) or
28 the local government unit (LGU) concerned, as may be appropriate, to make
29 excavations or lay conduits in any of the public places, highways, roads, streets,
30 lanes, alleys, avenues, sidewalks, or bridges of the province, cities or municipalities:
31 *Provided, however,* That a public place, highway, road, street, lane, alley, avenue,
32 sidewalk, or bridge disturbed, altered, or changed by reason of erection of poles or
33 other supports or the underground laying of wires, other conductors or conduits, shall
34 be repaired and replaced in efficient manner by the Grantee, its successors or
35 assignees, in accordance with the standards set by the DPWH or the LGU
36 concerned. Should the Grantee, its successors or assignees, after the ten (10)-day
37 notice from the grant of authority, fail, refuse or neglect to repair or replace any part
38 of public place, highway, road, street, lane, alley, avenue, sidewalk, or bridge
39 altered, changed, or disturbed by the said Grantee, its successors or assignees, then
40 the DPWH or the LGU concerned shall have the right to have the same repaired and
41 replaced in good order and condition and charge the Grantee, its successors or
42 assignees, double the amount of the cost and expenses for such repair or
43 replacement.

44

46 to its captive market in the least costly manner. In the interest of the public good and

14 and subject to the approval of the ERC or its legal successor.

15
16 The Grantee shall identify and segregate in its electricity bill to the end-users
17 the components of the retail rate pursuant to RA 9136, unless otherwise amended.
