HOUSE BILL NO. 842

INTRODUCED BY **REP. KRISTINE ALIXIE B. TUTOR**
THIRD DISTRICT, BOHOL

EXPLANATORY NOTE

The municipality of Candijay, Province of Bohol is a rising tourist destination in the Philippines. Its dramatic scenery and natural tourist attractions beckon one to explore and relax to the slow rhythm of rural life. Home to several natural resources such as the Canawa Sprint and Kawasihan Islet Sand Bar, there are also potential eco-tourism destinations that are now attracting visitors. One such tourist is the Kankoka Hills located in Barangay Cambane, Municipality of Candijay. It is a scenic site where one can enjoy a panoramic view of Bohol's Islands. From the view deck, the surrounding provinces of Leyte and Camiguin Islands can be viewed. With the lack of needed development and promotion, the tourism potential of the place has been largely untapped.

As part of the present administration's core program for the development of the country, ecotourism is considered an important economic tool that will create a significant source of business opportunities for the local community. The declaration of the Kankoka Hills as an ecotourism site will develop the area into a fully grown tourist destination that will offer both local and foreign visitors a glimpse of its natural beauty while insuring that it is managed in ways that are sustainable, pro-community and pro-ecology.
