HOUSE BILL NO. 1664

Introduced by REPRESENTATIVE ELEANDRO JESUS F. MADRONA

EXPLANATORY NOTE

One of the emerging tourist destinations in the Province of Romblon is the Binucot Beach area, located in Barangay Bunsoran in the Municipality of Ferrol. The beach itself is known for its powdery white sand and crystal clear waters. The area also takes pride in its marine sanctuary and its Turtle Hatchery which play essential roles in the marine ecosystem and in the daily lives of the local inhabitants.

Aside from its enamoring beauty, the Binucot Beach area is also home to the Mabaho Cave, which serves as a safe habitation of various species of bats which is equally complemented by unique and beautiful rock formations of stalactite and stalagmite, guaranteed to fascinate people visiting the place. Even just this cave alone stands as “a must” for foreign and local tourists who love to engage in spelunking activities.

It is, therefore, believed that the Binucot Beach area has an enormous tourism potential which, unfortunately as of today, lies unknown to the world. However, given the proper caring and sustainable tourism development which it highly deserves, this area would definitely provide a source of revenue for the local government and local businesses, provide job opportunities to the community, improve its basic services, and most of all, contribute to the overall development of indigenous tourism areas which the Philippines is famous for.

Thus, the passage of this bill is earnestly sought.
