HOUSE BILL NO. 1667

Introduced by REPRESENTATIVE ELEANDRO JESUS F. MADRONA

EXPLANATORY NOTE

The Looc Bay area is located in the Municipality of Looc, Tablas Island, Province of Romblon. It is an ideal tourism destination due to diverse reasons. The Looc Bay is a perfect harbor and cove. It is home to a world renowned protected marine sanctuary which boasts of more than one hundred species of fish and other sea creatures, as well as a heritage lighthouse within the bay. The Looc Bay area has always been considered by the people of Romblon as a natural blessing where they take pride in, because of its unique rock formations and heritage trees.

Visitors in the area can swim in crystal clear waters of the Looc Bay, engage in snorkeling and fish feeding activities, or simply stroll along its serene and powdery white sand beaches.

The Looc Bay area exhibits an undeniable and enormous tourism potential which, if fully tapped and developed, could generate revenues for local businesses, create jobs and exponentially expand employment opportunities, improve basic services in the community and contribute to the upliftment of the quality of life of the people in the community.

Hence, the protection, preservation and development of the area as tourism destination is not only appropriate but long overdue.

Therefore, in the light of the foregoing considerations, the passage of this bill is earnestly and respectfully sought.
